12.05 – Reciprocal Individual Visitors Policy During COVID-19

Safe Harbour Policy supersedes the below: no vessel in distress will be denied temporary docking at ABYC.

1. Visitors using reciprocal privileges will be accepted at ABYC once we enter Step 2 of the Ontario Road Map to Reopening (On Reg 82/20).
2. We will only accept visitors from reciprocal clubs that offer the same privileges to our members.
3. All Health & Safety measures implemented in 2020 for incoming visitors will remain: pre-registrations no later than noon the day before arrival, and mandatory check-in on arrival.
4. This policy is enacted due to the COVID-19 pandemic, and will be removed when no longer required. Current version June 15, 2021 reflects the Ontario Framework to Reopening (On Reg 82/20).
