## Membership Classes

### Senior Membership

Senior Membership is full family membership with use of all Club facilities. A Senior Member is entitled to use of a slip and storage for one vessel subject to availability, may vote at General Meetings and can hold office in the Club. He or she must be 18 years of age or over, pays the initiation fee and boat fee (based on boat size) upon acceptance and pays dues and storage fees annually. Senior Members are expected to contribute 20 hours of their time; however, if they are unable to meet this commitment they may pay the appropriate fee in lieu of contribution hours. A Senior Member and spouse may form a Family Membership but only one of them can exercise privileges. When two or more people own a boat in partnership, each owner must apply for senior membership and each must pay an initiation fee but the partnership pays one boat fee. Please attach a deposit payment for \$113.00. An invoice for the full initiation fee, membership dues and vessel fees will be issued upon acceptance. Should the application be withdrawn, a \$100.00 processing fee will be charged.

	I acknowledge that acceptance, as a Member does not guarantee an immediate slip. In addition, I acknowledge that Members do not have a right to any particular slip and that the Club assigns slips on a Seniority basis and may reassign a slip during the year.
Initial Here	I also acknowledge that Oversized Boats, as defined by the Club, require Board approval before being assigned a slip.

### Dinghy Membership

A Dinghy Membership is an individual membership and does not include other family members who may attend the Club as Guests. A Dinghy Member has use of all Club facilities and may keep and store a dinghy, subject to space availability. He or she cannot vote at General Meetings and may not hold office. An applicant must be 25 years of age or older and pays an initiation fee and annual dues. A Dinghy member may also apply for Senior Membership after two consecutive years of Dinghy Membership and can apply 66% of dues previously paid to the initiation fee and, after 15 years, can apply 100% of dues previously paid to the Senior initiation fee. Please attach a payment for \$858.80 for your initiation fee, membership dues and HST.

### Junior Membership

A Junior Membership is an individual membership and does not include other family members who may attend the Club as Guests. A Junior Member has use of all Club facilities and may keep and store a dinghy, subject to space availability, and only after demonstrating to the Board that the appropriate liability insurance is carried by the junior member, or the junior member's parent or guardian. A junior cannot vote at General Meetings and may not hold office. An applicant must be 7 to 24 years of age. A Junior Member, after two consecutive years of membership, may apply for Dinghy Membership and be entitled to have the initiation fee waived. A Junior Member may apply for Senior Membership after five consecutive years of membership and upon attaining 18 years of age is entitled to have the initiation fee is waived. **Statement of Membership Liability Waiver and Acceptance of Fee Structure**

Ashbridge’s Bay Yacht Club (“Club”) shall not be liable for any damages arising from personal injury, property loss or damage, sustained by the Member in attending in the Club and using Club facilities. The Member assumes full responsibility for any personal injury, property loss or damage which may be sustained by the Member in, on or about the Club facilities and hereby fully and forever releases and discharges the Club, its directors (solely in their capacity as directors), agents and employees from any and all claims present and future, whether the same be known or unknown, anticipated or unanticipated resulting from or arising out of the Member’s use of the Club facilities, including but without limitation, any claims for personal injury, property loss or damage arising out of the negligence of the Club or any of its Members, agents and employees or any other persons using the Club facilities as Guests or invitees to the extent that such assumption of risk and waiver of claims does not discharge, release or relieve the Member’s insurance carriers under policies covering the Member or his/her property.

If my application is accepted, I agree to honor my commitment above and to abide by the Club’s By-laws, Policies and Regulations including payment of all applicable fees and assessments. Everyone who operates a power-driven boat in Canada needs proof of competency —something that shows they understand the rules of the water and how to safely operate a boat.
